Invitation from the Board

According to archival records, the University Club (then called the Faculty Club) was founded in 1949. It moved to its present location in 1966, and celebrated the opening of the addition in 1969. The Board is seeking a Club member to write a history of the University Club at Queen's. The Board is willing to pay for the hiring of a work/study student for one term, to assist with archival work and/or interviewing members and staff.

If you are interested in this project, please contact Board President Christine Overall (cdo@queensu.ca)

Thursday, September 19th
