1.0 PURPOSE

This Standard Operating Procedure (SOP) describes the process for research participants and any other individuals (e.g., the legal guardian of a research participant, a researcher, a Queen’s University and/or affiliated teaching hospital staff or faculty member, a REB member, etc.) to communicate with the HSREB regarding any ethics concerns, for studies conducted under the authority of the Queen’s University Health Sciences and Affiliated Teaching Hospitals Research Ethics Board (HSREB).

2.0 SCOPE

This SOP pertains to the HSREB that reviews human participant research in compliance with applicable regulations, guidelines and current and emerging best practices.

3.0 RESPONSIBILITIES

All HSREB members and HSREB Office Personnel are responsible for ensuring that the requirements of this SOP are met.

4.0 DEFINITIONS
See Glossary of Terms.

5.0 PROCEDURES

Research participants and any other individuals (e.g., the legal guardian of a research participant, a researcher, a Queen’s University and/or affiliated teaching hospital staff or faculty member, a REB member, etc.,) should be able to voice their concerns, questions and request information regarding their participation, potential participation, or with respect to their role in the research, in confidence, to an informed individual on the HSREB or in the HSREB office.

5.1 Communication with Research Participants and Other Individuals

5.1.1 Research participants or any other individual(s) that may have a concern or compliant regarding a research study conducted under the authority of the Queen’s University Health Sciences and Affiliated Teaching Hospitals Research Ethics Board (HSREB) are encouraged to contact the HSREB office, using the contact information provided in the informed consent document(s), or as outlined in the document HSREB Research Complaint Process (Appendix 1), or as noted on the HSREB website.

5.1.2 HSREB Office Personnel will communicate any concerns to the HSREB Chair or designee and other applicable Office Personnel;

5.1.3 The HSREB Chair or designee and other applicable Office Personnel work to resolve concerns or complaints, which may include follow-up with the Researcher or the Researcher’s supervisor or other Queen’s University and Affiliated Teaching Hospital(s) representative(s), and with appropriate federal agencies, as applicable;

5.1.4 The HSREB Chair or designee and/or other applicable Office Personnel documents all communication with the research participant or other individual(s), and a record of this communication is maintained securely in the Office of Research Ethics;

5.1.5 If requested, the identity of the participant and/or individual(s) will not be recorded or shared;

5.1.6 A de-identified record of communication will be maintained securely in the research file, as applicable;

5.1.7 HSREB members will be informed of communication with research participants or other individual(s) at the next HSREB full board meeting, as applicable.
