

Queen's Campus COVID-19 SAFETY PROTOCOL

If your job allows,
work from home
as much as possible.

Have you...

- been experiencing symptoms of fever, cough, difficulty breathing, muscle ache, headache, sore throat, and/or runny nose?
- had contact with a confirmed case of COVID-19 in the past 14 days?
- been instructed by local public health authorities to self-isolate due to your travel or contact history?

If you answered yes to any of the above, you must:

- return home (avoiding public transportation) and self-isolate
- contact your health care provider or Telehealth Ontario
- follow the local public health advice on the [kflaph.ca](https://www.kflaph.ca) website
- notify your supervisor
