

Queen's Campus COVID-19 SCREENING PROTOCOL

Fill out your COVID-19 Assessment
before entering campus buildings

queensu.ca/security/services/sequire-app

And remember if you:

- have been experiencing symptoms of fever and/or chills, cough, shortness of breath, decrease or loss of smell or taste, and/or unusual fatigue, lethargy, malaise
- have been told by a doctor, health care provider, or public health unit that you should currently be isolating
- have been identified as a close contact of someone who currently has COVID-19 in the last 10 days, and public health has advised that you need to self-isolate

Then you must:

- return home or to your Residence room (avoiding public transportation) and self-isolate
- contact your health care provider or Telehealth Ontario
- follow the local public health advice on the kflaph.ca website
- Residence students, follow the Residence Isolation Protocol
- Employees, notify your supervisor

Questions can be sent to safe.return@queensu.ca
