# Queen's Campus
COVID-19 SAFETY PROTOCOL

Practice physical distancing and avoid close contact in non-instructional spaces.
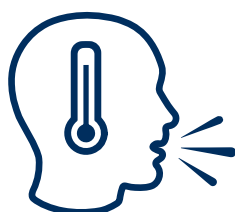

Perform frequent hand hygiene. Avoid touching face, eyes, nose and mouth.

Avoid the use of open hands or closed fist to cover your cough. Cough or sneeze into the fold of your arm.

Ensure your COVID-19 Vaccination status declaration has been completed.

Self-monitor for COVID-19 symptoms and follow advice on building entrance sign.

It's our community.
Keep it safe.
