Campus Operations Group
Membership and Activities

The Campus Operations Group (COG) will be tasked with reviewing and implementing all strategies to support the phased return of academic operations. Liaison with Kingston Public Health for all on-campus operations (academic, support services and research) will, in the first instance, be through Dr. David Walker and Heather Cole. The Principal and Senior Leadership Team will be responsible for strategic direction and decisions.

Membership:
Membership will be expanded as required. Meetings will be two or three times per week for half an hour with most of the work lead by various individuals or teams across campus with documentation/recommendations brought forward to COG.
